Snowdonia National Park has a biodiversity diversity project for cemeteries, Ask for more information

English only sign outside the old Almshouses. Ask the Council who owns the part of the land. If the Council does not own it, ask the owners to put up a bilingual sign.

Residents in the area are concerned that there is no sign where the toilets are in the car park. Not needed at present as the toilets are closed. Village residents are also concerned about caravans, mobile homes and campervans parking in the car park overnight. Ask Council for a "no overnight parking" sign to be installed here.

BT Some homes still complain that they are not receiving superfast broadband. Annual meeting; Under the circumstances this year Idris Roberts proposed with Alun Davies supporting leaving officers in office until May 2021 Owen Glyn Evans is in the process of cutting the cemetery and the village hall grass Remind him of the work that needs to be done near the apple trees and ask him to clean the path down to the church as it is covered with moss. Parked van in mid-tide, check with rules here. Hedges on the B4470 need to be

felled. Trees near to Vicarage growing out in to the road Tell Conwy Council about these problems Order a poppy wreath for November
